Southern Cross Care (Tas.) Inc. is a leading aged care provider with a proud history of more than 45 years of delivering residential aged care, home care and retirement living services across Tasmania.

As one of the largest employers in Tasmania, with a highly dedicated work-force, the organisation continues to grow and flourish. These positions report to the Facility Managers at each site and are responsible for the day to day clinical leadership

As a result of internal promotions we now have three separate Clinical Care Coordinator positions available for which we are seeking suitably qualified professionals to join our team.

To be successful in this position you will have demonstrated diverse clinical experience and excellent interpersonal skills. These competencies will be complimented by an ability to mentor staff and ensure quality care outcomes for aged care recipients and their families.

A registered nurse with management experience and/or 5 years' experience in aged care is desirable.

Professional qualifications in a relevant discipline and sound knowledge of the aged care industry is desirable with a well developed ability (or track record) in developing and leading a successful team.
