Enjoy the View from Guilford Young Grove

Guilford Young Grove was the first Residential Aged Care Facility of Southern Cross Care, opening its doors to residents in 1975.

Perched high on a hill, the extensive unobstructed water views across the Derwent River to Wrest Point, the Tasman Bridge and Hobart City provide an ever changing vista.

Attractive lawns and gardens provide pleasant outlooks and the rose garden in

particular offers months of pleasure to residents and visitors alike.

Consisting of 43 beds, all with en-suite facilities. Guilford Young Grove has an enviable reputation for being a friendly, homely facility with personalised service from dedicated staff.

The cosy rooms make the most of the expansive views where residents can enjoy a warm sunny aspect with stunning views over the gardens to the river and city.

Community and Lifestyle

A progressive activities program operates to assist in meeting the social and leisure interests of the residents, providing the opportunity to enjoy a wide and varied range of activities, functions and outings.

Close relationships have been forged with nearby schools and community groups linking residents with the local community.
