*Caring across Tasmania*

## Executive Manager—South Home Care and Residential Services

Southern Cross Care (Tas.) Inc. is a leading aged care provider with a proud history of more than 45 years in delivering residential aged care, home care and retirement living services across Tasmania.

As one of the largest employers in Tasmania, with a highly dedicated workforce, the organisation continues to grow and flourish.

As a member of the Executive Management Team and reporting to the Chief Executive Officer, the Executive Manager (Home Care and Residential Services – South) will be responsible for the financial, operational and business management of Southern Cross Care (Tas) Inc's Home Care and Residential Aged Care Services in Southern Tasmania.

This is a new position following the restructure of our Senior Management Team. An attractive remuneration package will be negotiated with the successful applicant.

The role has a strong business management and customer service focus ensuring high levels of customer satisfaction. To be successful in this position you will have demonstrated diverse management experience including the ability to empower site managers and team leaders to manage their service within agreed delegations.

Professional qualifications in a relevant discipline and sound knowledge of the aged care industry is desirable. A well-developed ability (or track record) in managing and leading a successful team to achieve optimal business outcomes and high levels of customer satisfaction will be considered favourably.

Any clarification on the role and responsibilities of the position can be directed to the Chief Executive Officer, Richard Sadek.
