ROSARY GARDENS Residential Aged Care

Welcome to Rosary Gardens

Centrally located in New Town is this newly renovated Residential Aged Care Facility providing a home for residents for over 45 years.

The design of Rosary Gardens takes great advantage of the stunning well-established gardens, with many quiet sitting spots capturing the sun or the shade, depending on the season. The grounds are level, making it easy and comfortable to admire the roses and fuchsias, or wander over to the kiosk for a cappuccino or light lunch with friends or family.

The facility has a central location with nearby shopping centres and easy access to the city centre as well as being surrounded by historic buildings dating back to the mid 1800's.

Internal courtyard spaces bring the outdoors into this city-fringe location. Sun-kissed small lounges with comfortable furnishings are scattered throughout the facility, enabling residents to move around and enjoy the company of friends and family.

Community and Lifestyle

A range of allied health services including podiatry and physiotherapy are provided to residents.

A varied and interesting activity program is co-ordinated by the Leisure and Lifestyle team in accordance with individual care plans. This program is supported by volunteers and includes visits by community entertainers.

Regular events include celebration days such as Australia Day, Valentine's Day, Easter, ANZAC Day, Melbourne Cup, Remembrance Day and the highlight event for many residents, the Spring lunch.

Residents also participate in art therapy, bus outings and music appreciation activities.
