Activities and Lifestyle

Yaraandoo is known for its warm, welcoming atmosphere and truly personalised approach to care. Whether it's joining in the fun and laughter with group activities, or soaking up the sunshine, there are plenty of options for residents to do the things they enjoy.

From scenic drives through the countryside, shopping trips or picnics in the park, there's always an activity to join if you choose to do so. Our Leisure & Lifestyle Officers love what they do, and it shows. They provide meaningful occupations and activities as an option to all our residents to engage.

These can vary in frequency and type and are inspired by an individual's preferences or social interests. Engagement is proven to positively flourish an individual's health and wellbeing is a crucial element in our person-centred care model.

Respite Care

Respite care is a short-stay solution that can be planned ahead, or in the case of an emergency, last-minute or unplanned. Short stays are a great solution for individuals seeking support following post-operative or hospital care, or whilst their regular caregiver takes a break. Respite care can also be used as a way of introducing long term care to a loved one. Many of our beloved residents were introduced to us for two weeks respite care and loved it so much they decided to stay!

Southern Cross Care Tasmania is proud of our track record of over 50 years as a leading provider of aged care accommodation and services in Tasmania. We are a wholly Tasmanian, not for profit business employing over 1100 staff who provide care, support and compassion to those in need.

In the Spirit of Christ and in the tradition of the Catholic faith we value integrity, respect and compassion, and our range of services are designed to make you feel right at home.

Basic Daily Care Fee

The Basic Daily Care Fee covers your day-to-day living costs in residential aged care such as standard meals, cleaning, and laundry, heating and cooling.

The Basic Daily Care Fee is set by the Federal Government, is the same in every residential facility and is calculated as 85% of the single person rate of the basic age pension. It is indexed with the age pension (it increases when the aged pension increases) and is adjusted every March and September.

Additional Services

Southern Cross Care provides additional services for a small daily fee on top of the Basic Daily Care Fee, to support our residents' lifestyle and wellbeing. Depending on the location, these additional services may include recreational activities, greater choice of meals, entertainment, outings, and other options tailored to personal preferences.
