YARAANDOO
Residential Aged Care

Welcome to Yaraandoo

Located at Somerset, Yaraandoo bears the indigenous name for the Southern Cross constellation. Situated high on the hill at Somerset overlooking the ocean and Table Cape, it is hard to believe the waves are so far away. The design has captured the vista of the sea and many of the rooms have been sited to capture the best of the views.

All these spacious rooms are single with an ensuite, with many looking onto the extensive landscaped gardens. Accommodation for couples with different care needs is also available at Yaraandoo.

The warm friendly ambience is evidenced by the close involvement with the local community and Yaraandoo is seen as a hub of activity in this seaside town.

From the friendly café in the entrance to the wonderful lounge rooms overlooking Table Cape, this facility says “welcome” to residents and visitors.

The quality of the meals is a feature of this facility, as the smaller size of Yaraandoo allows a home-like menu, with local seasonal vegetables a feature.

Community and Lifestyle

A feature of this facility is the many small lounge rooms located throughout the home. Each lounge provides a different experience with plentiful opportunity for socialising and a beautiful garden or sea view outlook.

A range of therapies are offered at the Wellness Centre including physiotherapy assessment, support of residents' mobility, exercise and pain management to promote health and well-being.

A podiatrist visit regularly and a range of other allied health services are provided on request.

Yaraandoo offers an interesting activities program run by the Leisure and Lifestyle team and supported by a wonderful group of volunteers. The program incorporates regular bus outings, visiting entertainers and can be individually tailored for those wishing to maintain skills and interests or even develop new ones.
