

## Accommodation Pricing Schedule – Rivulet

From 1 July 2014 we are required by the Federal Government to list the “maximum” payment required for new residents to receive aged care services. Further to this, you can also choose to pay the amount due as a lump sum or an equivalent daily payment – or a combination of both.

We would like to reassure all residents and their families that, as always, we will continue to cater for all – no matter your financial capacity.

This means that there could be a whole range of different options as we provide great flexibility for our residents, with the aim of providing a consistent and high level of quality care to all.

For enquiries please contact us on (03) 6146 1800 and ask to speak to Client Liaison Officer and they will be pleased to help you understand the options that best suit your care requirements.
